

| Warehouse Distribution & Transfer Manifest

LOGISTICS MANIFEST // DATE: JUNE 28, 2026

1. Distribution Center Status Overview

- **Warehouse East:** Currently holds 5 units of **SKU P100 (Barcode Scanner Pro)** against a safety threshold of 30 units. (Deficit: 25 units).
- **Warehouse West:** Currently holds 1 unit of **SKU P100 (Barcode Scanner Pro)** against a safety threshold of 30 units. (Deficit: 29 units).

2. Immediate Allocation Strategy

To quickly clear system-wide **LOW STOCK** flags and guarantee replenishment channels remain fluid, upcoming supplier inbound logistics must prioritize distribution according to the following matrix:

Allocation Breakdown:

- Route **60%** of incoming SKU P100 stock directly to **Warehouse West**.
- Route **40%** of incoming SKU P100 stock directly to **Warehouse East**.
