

Nexus Retail Logistics: Q3 Carrier Performance Review

Document Ref: LPR-Q3-2026

This report reviews the performance and SLA compliance of SwiftCargo and FedEx Freight.

1. Carrier On-Time Performance Summary:

- SwiftCargo achieved an On-Time Delivery rate of 94.2% across 340 shipments.
- FedEx Freight achieved an On-Time Delivery rate of 88.5% across 210 shipments.
- BlueStreak Logistics recorded 98.1% on-time performance on regional routes.

2. Weather Delays & Hub Congestion:

Major weather delays occurred at the Chicago transit hub, affecting FedEx deliveries. Average transit delay due to weather was 3.4 days in September 2026.

3. Action Items and Carrier Penalty Charges:

Apply standard 2.5% daily PO value late penalty on all delayed FedEx Freight shipments.
